

Happy Holidays everyone!

Hope this finds you happy and healthy, loved and loving! If you are needing Real Love, reach out and also know that this email is a connection to a local community that can give you that!

Please note I have sent this blind copy because I'm sending it to those of you who have inquired or attended the October workshop at FCSL. Want anyone who might be thinking about attending meetings in January locally to know what we are up to. Please email back to request being taken off this list and I will do so.

January has presented some scheduling conflicts with our Real Love meetings on 1st and 3rd Sundays at 12:30-2:30 pm....

Jon, Lea, and Deb are traveling to Phoenix on the 3rd weekend (Jan 14-15) for the Real Love Intervention Training Seminar with Greg Baer (very exciting)

so...we have decided to, for *January only*, **change the meetings to 2nd and 4th Tuesdays at 7 pm at our home**. Dates are below.

January Real Love Meeting dates in Auburn:

Tues. Jan 10 - 7 - 8:30 pm ---- Deb & Jon's home (137 Maribel Way), Phone: 530-913-5899)

Tues. Jan 24 - 7 - 8:30 pm ---- Deb & Jon's home

Click on <http://www.mapquest.com> to get directions. Take our phone number with in case you get turned around which is easy to do at night. Many of you have been here but don't hesitate to call if you need!

In February, we will return to 1st and 3rd Sunday meeting times. Whenever the group grows larger we may consider adding a week night meeting.

Remember, the free conference calls. There is a new call on Monday nights at 8 pm by Inge and Mary who you all met at Tina's workshop at the center.

In addition, remember you can call anyone on the national Real Love call list. It is a great way to reach out for Real Love when you need it, especially when you are beginning. I do this frequently and just received my first Real Love call from someone else which was awesome to give back by being there for someone else!

In addition, if you are on Facebook, there is a wonderful community of Real Love(r's) including Greg, his wife, and Sharon Winingham in Phoenix who makes daily posts. This also gives you a chance to see faces and more about those people on the conference calls and the call list.

With Warm Regards,

Deborah Jordan
